Human Services, Social Worker, and Psychology New Grads and Students, are you looking for an opportunity to take the next step in your education and career working with one of the region's most respected health care organizations? Join us at Chestnut Health Systems. We are a private, not-for-profit charitable organization offering a comprehensive scope of integrated health care that is focused on Recovery and Trauma-Informed Care, that is patient centered, whole person care including primary care and behavioral care.

---

**This job fair is focused on those interested in practical experiences in:**

- Helping teens with co-occurring substance use and mental health disorders
- Providing individual, group, and family counseling services
- Working with teens to improve their health by learning and applying problem-solving, communication, and anger management skills.

---

**We are seeking full-time and part-time Clinicians and Recovery Assistants for our residential program for adolescents in Maryville, IL.**

These opportunities offer scheduling to meet the many demands of your life with available shifts covering 24 hours/7 days per week. At the job fair, interested applicants will meet with the supervisory staff, tour the facility and have a chance to interview with a hiring manager.

Bring your enthusiasm and compassion to help others and we will provide you with a nurturing, caring, and educational environment in which to work.

**Please register today, we hope to meet you on December 16!**
